

## NUTR 17 A SKF

Yoke type track roller

TYPE: Roller bearings, Yoke type track rollers, With axial guidance, Full complement cylindrical roller set, labyrinth seals on both sides

### Technical specification

#### DIMENSIONS, MM

d	17,000
D	40,000
B	21,000
B1	20,000

#### WEIGHT, KG

0,150

#### MANUFACTURER

#### CALCULATION DATA

Basic dynamic load rating, C	19,000 kN
Basic static load rating, Co	22,000 kN
Fatigue load limit, Pu	2,500 kN
Limiting speed	4500 r/min
