

NUTR 2052 A SKF

Yoke type track roller

TYPE: Roller bearings, Yoke type track rollers, With axial guidance, Full complement cylindrical roller set, labyrinth seals on both sides

Technical specification

DIMENSIONS, MM

d	20,000
D	52,000
B	25,000
B1	24,000

WEIGHT, KG

0,320

CALCULATION DATA

Basic dynamic load rating, C	31,900 kN
Basic static load rating, Co	39,000 kN
Fatigue load limit, Pu	4,550 kN
Limiting speed	3800 r/min
