

NUTR 45100 A SKF

Yoke type track roller

TYPE: Roller bearings, Yoke type track rollers, With axial guidance, Full complement cylindrical roller set, labyrinth seals on both sides

Technical specification

DIMENSIONS, MM

d	45,000
D	100,000
B	32,000
B1	30,000

WEIGHT, KG

1,400

CALCULATION DATA

Basic dynamic load rating, C	73,700 kN
Basic static load rating, Co	104,000 kN
Fatigue load limit, Pu	12,700 kN
Limiting speed	1700 r/min
