

## NUTR 50110 A SKF

Yoke type track roller

TYPE: Roller bearings, Yoke type track rollers, With axial guidance, Full complement cylindrical roller set, labyrinth seals on both sides

### Technical specification

#### DIMENSIONS, MM

d	50,000
D	110,000
B	32,000
B1	30,000

#### WEIGHT, KG

1,700

#### MANUFACTURER

#### CALCULATION DATA

Basic dynamic load rating, C	78,100 kN
Basic static load rating, Co	116,000 kN
Fatigue load limit, Pu	14,300 kN
Limiting speed	1600 r/min
