

## SB 35 A IKO

Spherical plain bearings

TYPE: Plain bearings, Spherical plain bearings and rod ends, Radial spherical plain bearings, Requiring maintenance, Series SB..A (IKO), steel-on-steel, outer ring is axially split at one point

### Technical specification

#### DIMENSIONS, MM

|   |        |
|---|--------|
| d | 35,000 |
| D | 55,000 |
| B | 30,000 |
| f | 50,000 |
| C | 26,000 |

#### MANUFACTURER

[IKO](#)

#### CALCULATION DATA

|                              |            |
|------------------------------|------------|
| Basic dynamic load rating, C | 127,000 kN |
| Basic static load rating, Co | 765,000 kN |
