

## 20305-TVP FAG

Barrel roller bearing

TYPE: Roller bearings, Spherical, Single row, Radial

### Technical specification

#### DIMENSIONS, MM

|   |        |
|---|--------|
| d | 25,000 |
| D | 62,000 |
| B | 17,000 |

#### MANUFACTURER

[FAG](#)

#### INTERCHANGE

|     |                          |
|-----|--------------------------|
| ABC | <a href="#">20305</a>    |
| SKF | <a href="#">20305TN9</a> |

#### CALCULATION DATA

|                              |            |
|------------------------------|------------|
| Basic dynamic load rating, C | 36,000 kN  |
| Basic static load rating, Co | 34,500 kN  |
| Fatigue load limit, Pu       | 3,000 kN   |
| Limiting speed               | 6000 r/min |
