

## 416503 SKF - USA

Axial shaft seals

TYPE: Axial shaft seals, V-ring seals, All-rubber seals, Type VR4, material NBR (SKF)

### Technical specification

#### DIMENSIONS, MM

|    |          |
|----|----------|
| d1 | 1640,000 |
| d  | 1559,000 |
| D  | 1619,000 |
| B  | 65,000   |
| B1 | 32,500   |
| C  | 1680,000 |

#### MANUFACTURER

#### CALCULATION DATA

|  |           |
|--|-----------|
| Operating temperature min                            | -40 °C    |
| Operating temperature max                            | 100 °C    |
| Permissible operating temperature, short periods max | 120 °C    |
| Maximum shaft surface speed                          | 0,001 m/s |
